A large, stylized green tree with a brown trunk is the central focus. The tree's canopy is filled with various educational items: a globe, a red book, a ruler with numbers 1-4, a blue folder, a green book, a yellow pencil, and a yellow triangle. At the base of the tree, three children are depicted: a boy on the left in an orange shirt and blue pants, a girl on the right in a blue dress, and a girl in the center with blonde pigtails wearing a green dress, sitting on the ground and reading an open book. The background is a light yellow-green gradient.
